

ETD Practitioner Toolkits

Toolkit 6: Facilitator Toolkit

PURPOSE OF THE TOOLKIT

The purpose of this toolkit is to provide Facilitators with best practices electronic templates for successfully facilitating outcomes based learning according to NQF requirements.

This toolkit has been designed and developed by Khulisane Academy as an aid and time saver for the ETD practitioner. Templates are easy to edit in a word format. Your order number will become part of your access to further updates which will be available on a regular basis.
